**Social art is the soul of the NO BORDERS project. In Western countries, we often try to analyze everything, measure everything, approach knowledge in a purely scientific way, removing the gods from the sky and leaving no room for shadows, which are the area where we have our own kingdom, where artists interpret individual and collective dreams.**

**NO BORDERS is about refugees, but it is most importantly about our own society. Refugees are a test for us, because they make us rethink the society we pretend to be, the society we truly are, and the one we would like to be.**

**NO BORDERS is based in two social art actions:**

## **A WALL AGAINST WALLS**

**In many cases, the streets and the artists working on them are the first to react and condemn unfair situations, acting as our social conscience. From the first event we organized, it was important for us to invite some local artists to paint a collective wall. We are repeating this experience in every city we visit. The wall is painted during or before the event, acting as a way of promoting the project and condemning the current situation. When the event is over, there is a new free-to-paint wall in the city for graffiti writers and street artists.**

## **A SHOW WITHOUT BORDERS**

**The social art exhibition has been created to get artists involved, amplifying the visibility of the project. More than 500 artists have collaborated sending their work and giving us permission to make unlimited copies. NO BORDERS has organized events in Menorca, at the MIAU Fanzara festival, Artà (Mallorca), Barcelona...**

**Next stop: Berlín.**

**Until now we have raised over 10,000 € which have been given entirely to direct-help platforms for refugees: Open Arms, Jutt helping People, No Name Kitchen, and Oli Mazi.**

∞  
WE LEFT OUR FAMILIES  
WE ABANDONED OUR HOMES  
WE WORKED FOR NOTHING  
WE SLEPT ON FLOORS  
WE SWALLOWED OUR PRIDE  
WE LOST OUR FAITH  
WE TRIED AND FAILED  
WE ENDURED THE PAIN  
WE FACED OUR FEARS  
WE FOLLOWED OUR DREAMS  
WE GAVE OUR HEARTS  
WE FOUND OUR WAY  
WE ARE THE WORLD  
WE NEVER DIE!
